

# THE UFO COVER-UP

John Lear is a Lockheed L-1011 captain for a major US airline and has flown over 160 different types of aircraft in over 50 different countries. He holds 17 world speed records in the Lear Jet and is the only pilot ever to hold every airman certificate issued by the Federal Aviation Administration. Mr. Lear has flown missions worldwide for the CIA and other government agencies. A former Nevada State Senator candidate, he is the son of William P. Lear, designer of the Lear Jet, the 8-track stereo and founder of Lear Siegler Corporation. Lear became interested in UFO's in the summer of 1986 after talking with US Air Force personnel who had witnessed a UFO landing at Bentwaters AirForce Base, near London, UK, and three small aliens walking up to Wing Commander Gen. Gordon Williams.

**T**he sun does not revolve around the Earth. The United States government has been in business with little gray extra-terrestrials for about 20 years.

The first truth stated here got Giordano Bruno burned at the stake in 1600 for daring to propose that it was real. The second truth has gotten far more people killed trying to state it publically than will ever be known.

But the truth must be told. The fact that the earth revolves around the sun was successfully suppressed by the church for over 200 years. It eventually caused a major upheaval in the church, government and thought. A realignment of social and traditional values. That was in the 1800's.

Now, about 400 years after the first truth was pronounced we must again face the shocking facts. The "horrible truth" the government has been hiding from us over 40 years. Unfortunately "the horrible truth" is far more horrible than the government ever imagined.

In its effort to protect democracy our government sold us to the aliens. And here is how it happened. But before I begin I'd like to offer a word in the defense of those who bargained us away. They had the best of intentions.

The "horrible truth" was known by only a very few persons: they were indeed ugly little creatures, shaped liked praying mantises and who were more advanced than us by perhaps a billion years. Of the original group that were the first to learn "the horrible truth" several committed suicide, the most prominent of which was Defence Secretary James V. Forrestal who jumped to his death from a 16th storey hospital window. Secretary Forrestal's medical records are sealed to this day.

President Truman quickly put a lid on the secret and turned the screws so tight that the general public still thinks that flying saucers are a joke.

In 1947 President Truman established a group of 12 top military and scientific personnel of their time. They were known as MJ-12. Although the group exists today, none of the original members are still alive. The last one to die was Gordon Gray, former Secretary of the Army, in 1984. As each member passed away, the group itself appointed a new member to fill the position. There is some speculation that the group known as MJ-12 expanded to at least several more members.

There were several more saucer crashes in the late 1940's, one in Roswell, New Mexico, one in Aztec, New Mexico and one near Laredo, Texas, about 30 miles inside the Mexican border.

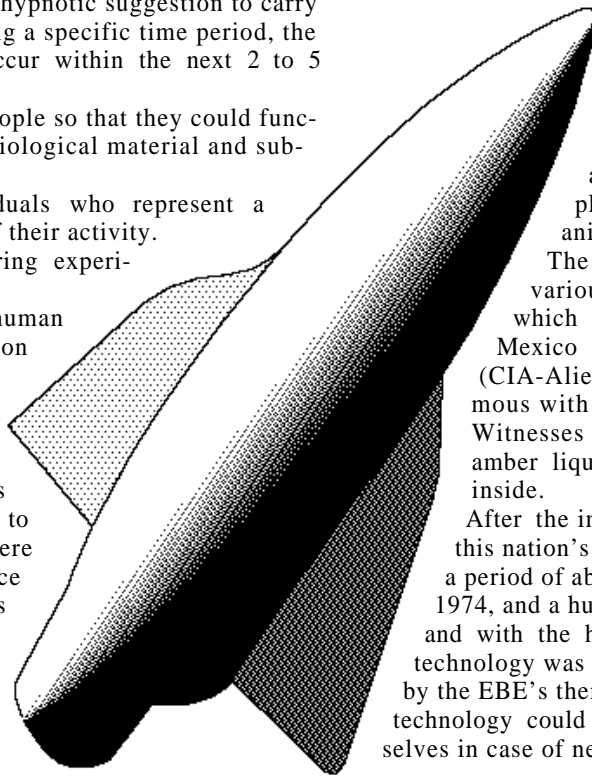

On April 25th, 1964, the first official communication between these aliens and the US Govt took place at Holloman Air Force Base in New Mexico. Three saucers landed at a pre-arranged area and a meeting was held between the aliens and intelligence officers of the US Government.

During the late '60s or early '70s, MJ-12 representing the US Govt, made a deal with these creatures called EBE's (Extraterrestrial Biological Entities, named by Detlev Bronk, original MJ-12 member and 6th president of Johns Hopkins University). The 'deal' was that in exchange for 'technology' that they would provide to us we agreed to 'ignore' the abductions that were going on and suppress information on the cattle mutilations. The EBE's assured MJ-12 that the abductions (usually lasting about 2 hours) were merely the ongoing monitoring of developing civilisations.

In fact, the purposes for the abductions turned out to be:

- 1) Insertion of a 3mm spherical device through the nasal cavity of the abductee into the brain. The device is used for the biological monitoring, tracking and control of the abductee.
- 2) Implementation of post hypnotic suggestion to carry out a specific activity during a specific time period, the actuation of which will occur within the next 2 to 5 years.
- 3) Termination of some people so that they could function as living sources for biological material and substances.
- 4) Termination of individuals who represent a threat to the continuation of their activity.
- 5) Effect genetic engineering experiments.
- 6) Impregnation of human females and early termination of pregnancies to secure the crossbred infant.

The U.S. Government was not initially aware of the far reaching consequences of their 'deal'. They were lead to believe that the abductions were essentially benign and since they figured the abductions would probably go on anyway whether or not they agreed, they merely insisted that a current list of abductees be submitted, on a

periodic basis to MJ-12 and the National Security Council. Does this sound incredible? An actual list of abductees sent to the National Security Council? Read on, because I have news for you.

The EBE's have a genetic disorder in that their digestive system is atrophied and not functional. Some speculate that they were involved in some type of accident or nuclear war, or possibly on the back side of an evolutionary genetic curve. In order to sustain themselves they use an enzyme or hormonal secretion obtained from the tissue that they extract from humans and animals.

(Note: Cows and humans are genetically similar. In the event of a national disaster cow haemoglobin can be used by humans.)

The secretions obtained are then mixed with hydrogen peroxide and applied on the skin by spreading or dipping parts of their bodies in the solution. The body absorbs the solution then excretes the waste back through the skin. The cattle mutilations that were prevalent throughout the period 1973-1983 and publically noted through newspaper and magazine stories and included a documentary produced by Linda Howe for the Denver CBS affiliate KMGH-TV, were for the collection of these tissues by the aliens. The mutilations included genitals taken, rectums cored out to the colon, eyes, tongue and throat all surgically removed with extreme precision. In some cases the incisions were made by cutting between the cells, a process we are not yet capable of performing in the field. In many of the mutilations there was no blood found at all in the carcass, yet there was no vascular collapse of the internal organs. This has been also noted in the human mutilations, one of the first ones of which was Sgt. Jonathon P. Louette at the White Sands Missile Test Range in 1956 who was found three days after an Air Force Major had witnessed his abduction by a 'disk shaped' object at 0300 hours while on a search for missile debris downrange. His genitals had been removed, rectum cored out in a surgically precise "plug" up to the colon, eyes removed and all blood removed with again, no vascular collapse. From some of the evidence it is apparent that this surgery is accomplished in most cases while the victim, animal or human is still alive.

The various parts of the body are taken to various underground laboratories one of which is known to be near the small New Mexico town of Dulce. This jointly occupied (CIA-Alien) facility has been described as enormous with huge tiled walls that 'go on forever'. Witnesses have reported huge vats filled with an amber liquid with parts of bodies being stirred inside.

After the initial agreement, Groom Lake, one of this nation's most secret test centres, was closed for a period of about a year sometime between 1972 and 1974, and a huge underground facility constructed for and with the help of the EBE's. The bargained for technology was set in place but could only be operated by the EBE's themselves. Needless to say, the advanced technology could not be used against the EBE's themselves in case of need.

During the period between 1979 and 1983, it became increasingly obvious to MJ-12 that things were not going as planned. It became known that many more people (in the thousands) were being abducted than were listed on the official abduction lists. In addition it became obvious that some, not all, but some of the nations missing children had been used for secretions and other parts required by the aliens.

According to some, there was an altercation between the US military and the aliens at the Dulce laboratory. A special armed forces unit was called in to try and free a number of our people trapped in the facility who had become aware of what was really going on. According to one source 66 of the soldiers were killed in the effort and our people were not freed.

By 1983, MJ-12 must have been in stark terror at the mistake they had made in dealing with the EBE's. They had subtly influenced (through Dr. Hynek, formerly with the Blue Book Project, who had allegedly broken ties with the Air Force in the late '60s but who in reality continued to be their informant in his cover capacity of Director of the Centre for UFO Studies) "Close Encounters of the Third Kind", and "E.T." (now admitted by some members of MJ-12 to have been a 'drastic mistake') to get the public used to "odd looking" aliens that were compassionate, benevolent and very much our "space brothers". MJ-12 had, in effect, 'sold' the EBE's to the public, and were now faced with the fact that quite the opposite was true. In addition, a plan had been formulated in 1968 to make the public aware of the existence of aliens on earth over the next 20 years to be culminated with several documentaries to be released during the 1985-1987 period of time. These documentaries would explain the history and intentions of the EBE's. The discovery of the "Grand Deception" put the entire plans, hopes and dreams of MJ-12 into utter confusion and panic.

Meanwhile at the "Country Club", a remote lodge with private gold course, comfortable sleeping and working quarters and its own private airstrip built by and exclusively for the members of MJ-12, it was a factional fight of what to do now.

Part of MJ-12, which had now become military top-heavy, wanted to confess the whole scheme and shambles it had become to the public, beg their forgiveness and ask for their support. The other part (and majority) of MJ-12 argued that there was no way they could do that, that the situation was untenable and there was no use in exciting the public with the "horrible truth" and that the best plan was to continue the development of a weapon or 'plan of containment' that could be used against the EBE's under the guise of "SDI", the so-called Strategic Defense Initiative which had nothing whatever to do with a defense for inbound Russian nuclear missiles. In fact, the real definition of purpose for SDI read "The plotting, tracking and acquisition of article in deep space." As these words are being written, Dr. Edward Teller, 'father' of the H-bomb is personally in the nuclear test tunnels of the Nevada Test Site, driving his workers and associates in the words of one, "like a man possessed". And well he should be for Dr.

Teller is a member of MJ-12 along with Dr. Kissinger, Admiral Bobby Inman, General Lew Allen to name a few members of MJ-12.

Before the "Grand Deception" was discovered and according to a meticulous plan of metered release of information to the public, several documentaries and video tapes were made. William Moore, a Burbank, California based UFO researcher who wrote "The Roswell Incident", has a video tape of newsmen interviewing a military officer associated with MJ-12. This military officer answers questions relating to the history of MJ-122 and the cover-up, the recovery of a number of flying saucers and the existence of a live alien (one of 3 living aliens captured and designated or named EBE-1, EBE-2 and EBE-3 being held in a facility designated as YY-II at Los Alamos, New Mexico. The only other facility of this type, which is electromagnetically secure, is at Edwards Air Force Base in Mojave, California). The officer names names as previously mentioned plus a few other: Harold Brown, Richard Helms, Gen. Vernon Walters, JPL's Dr. Lew Allen and Dr.

Theodore von Karman to name just a few of the current and past members of MJ-12. The officer also relates the fact that the EBE's claim to have created Christ. The EBE's have a type of recording device that has recorded all of earth's history and can display it in the form of a hologram. The crucifixion of

Christ on the Mount of Olives has allegedly been put on film to show the public. The EBE's claim to have created Christ, which, in view of the 'Grand Deception' could be an effort to disrupt traditional values for undetermined reasons.

Moore is also in possession of more Aquarius documents, a few pages of which leaked out some years ago and detailed the supersecret NSA (National Security Agency) project, the existence of which had been denied until just recently. NSA's project Aquarius deals specifically with 'communications with aliens'. Within the Aquarius program was project 'Snowbird', set up to test fly a recovered alien aircraft at Groom Lake, Nevada. This project continues today at that location. In the words of an individual who works at Groom Lake 'our people are much better at taking things apart than they are at putting them back together'. Another saw a saw being trucked into the Nevada Test Site in March of 1988. Still another informant witnessed a saucer being buried at that location during the second week of August 1988.

Whatever the answer these facts are indisputable. The extent and number of persons reported missing every year is a closely guarded secret. (Since 1980 at least 20,000 children have been reported missing EACH YEAR.) Cattle mutilations (over 14,000 since 1973) are regarded officially by the government as 'a hoax'. Human abductions are officially regarded by the government as 'a hoax'. The latest polls show that 88% of all Americans believe that intelligent life on other planets is probable and that over 20 million Americans have seen what they believe to be a UFO. But the US government officially dismisses 'flying saucers' as a 'hoax'. What do you think?
